SAFE, HIGH QUALITY PRODUCTS

Safety first

All our products comply with strict EU Standards. These are industry-developed technical specifications ensuring products and services, are safe and of high-quality.

FB: @Nebeau

Environment is key

Sustainability and circularity is key. Our products are compostable, with the absence of heavy metals and fluorine and are made from sustainable recycling and forestry.

IG: @Nebeausa

Cruelty free

We are committed to ethical excellence. Every product we supply is 100% cruelty-free, with a strict no animal testing policy at every stage of development and production.

SAFE, HIGH QUALITY PRODUCTS

Vegan & natural formulas

We are committed to clean, conscious beauty. Our products are 100% vegan, enriched with organic ingredients, and crafted from naturally derived sources to ensure both performance and integrity.

Consious use of chemicals

Every formula undergoes rigorous testing to detect and control harmful substances such as PPD, ammonia, and formaldehyde —ensuring safe, high-performance results you can trust.

Uncompromising performance

Engineered for excellence, our products deliver superior performance — from perfect 100% grey coverage to smooth, long-lasting results.

YOUR SUCCESS MATTERS TO US

We continuously work to keep our products as affordable as possible, helping you remain competitive and profitable. Speak to us about tailoring a deal that suits your salon needs.

WE MAKE IT PERSONAL

DEDICATED SALES AGENT

Each client has a dedicated contact person, ensuring real human support at every step—not bots or call centers. Our service is one-on-one and tailored to your salon's needs.

QUICK TURNAROUND TIMES

We guarantee same-day dispatch for all orders placed before the cut-off time. We monitor every shipment closely and provide continuous updates until your delivery arrives.

WE DO MORE!

Credit facilities

We offer 30-day, interest-free credit accounts, subject to approval and in compliance with the National Credit Act.

FB: @Nebeau

Consignment stock

We support your growth with consignment options that keep retail on your shelves without upfront strain. You only pay once the product is sold.

IG: @Nebeausa

Dropshipping

We offer direct-to-client delivery. We can deliver to your salon or directly to your client – reducing your logistics costs and simplifying the process.

www.nebeau.co.za

ProClub Loyalty programme

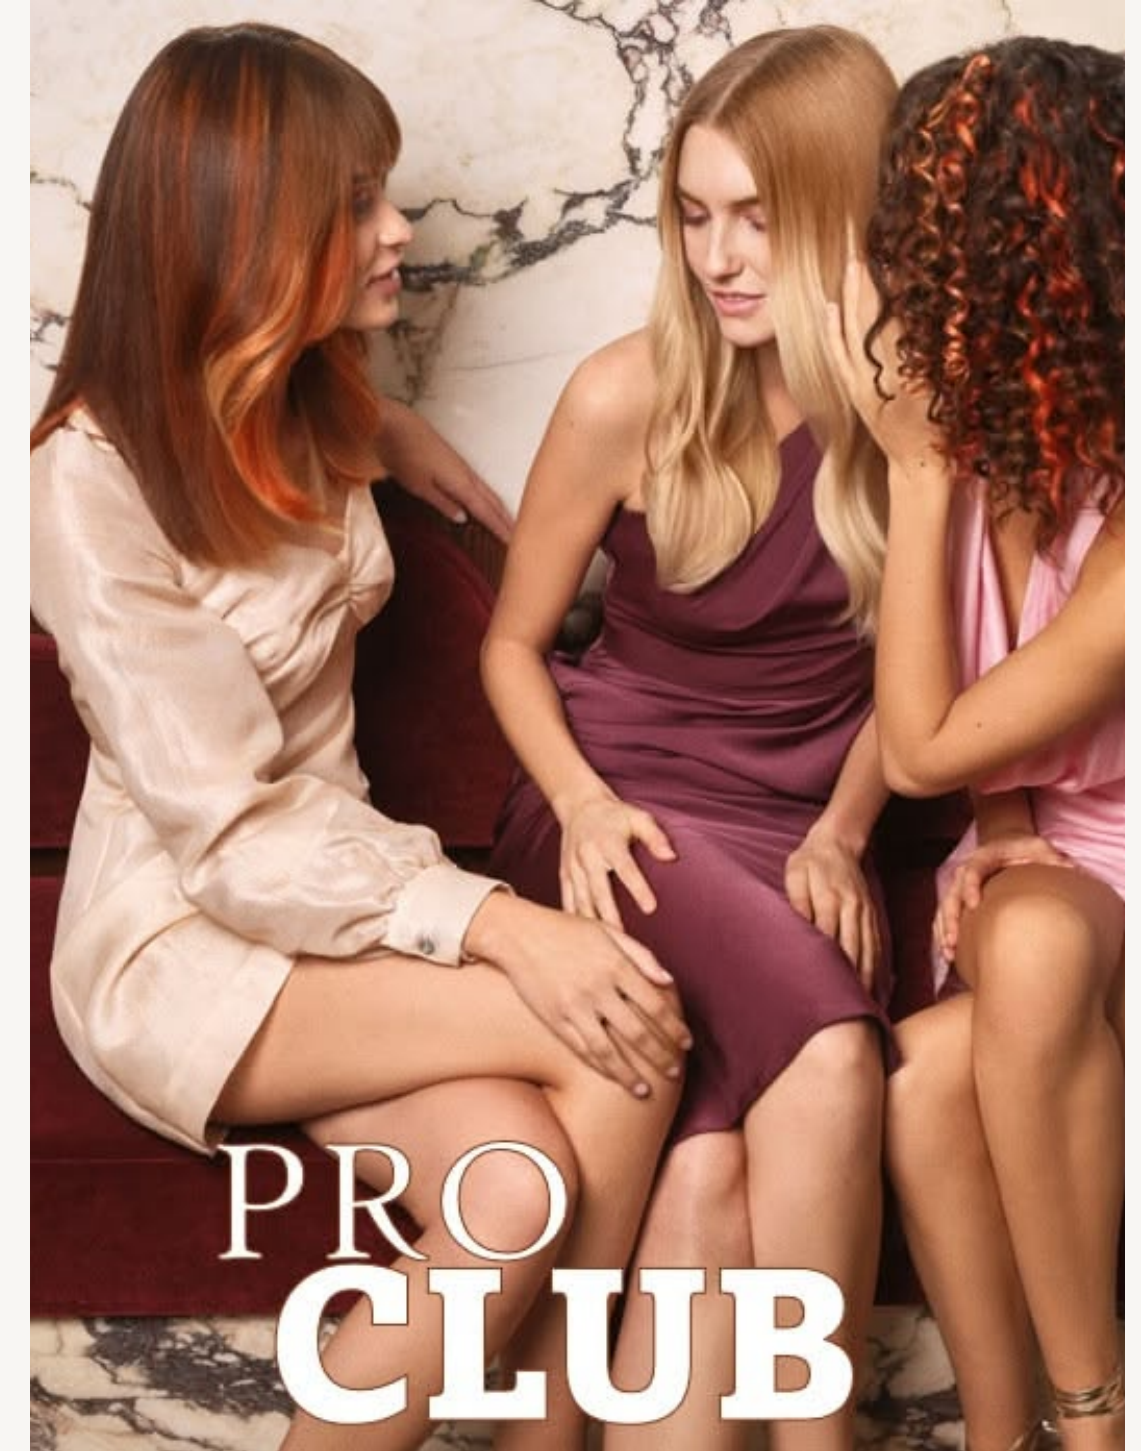

Earn loyalty points with every qualifying products and exchange these for retail products or tools.

Administrative support

Need help with the costing of your services or a new employment agreement? Or do you need help with the implimentation of the latest legislation? Our experts got you covered.

Regular on-line webinars

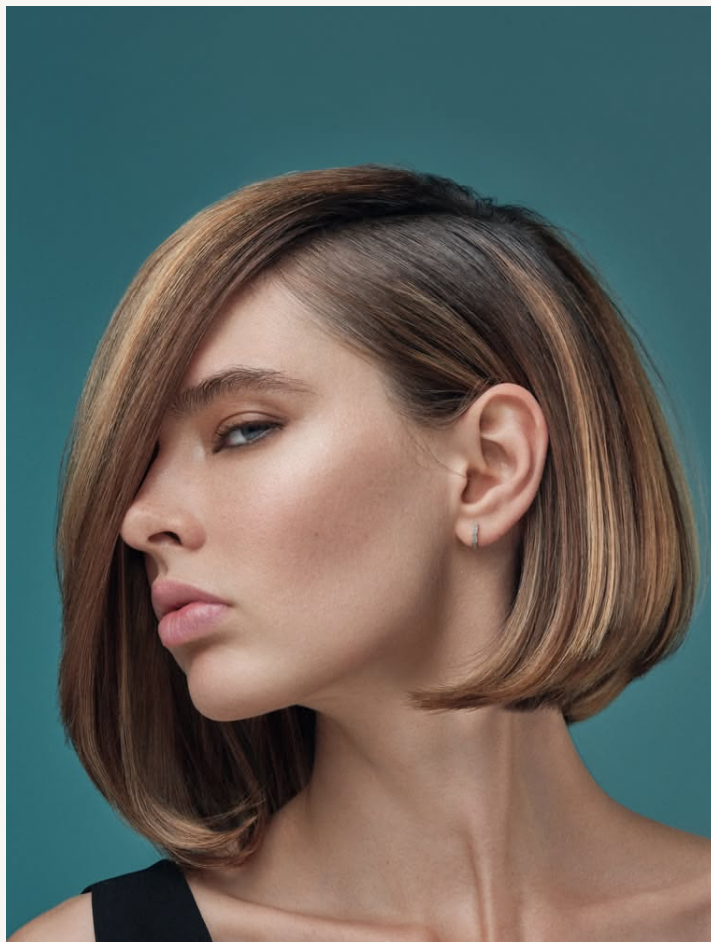

We offer regular online training across all our products, allowing you to learn at your own pace, in your own time, and from the comfort of your own space.

EARN & LEARN

WANT TO PUT US TO THE TEST?

“The Sample Box is a great idea!”

Contact us to receive a free sample box. It enables you to experience the quality and appearance of the products in order to make an informative decision.

Our website has detailed guides and brochures showing you everything you'll need to get the best performance from the products.

Prefer an in-person experience? Book a demo day with one of our agents.

LET'S BUILD TRUST TOGETHER

We commit to bringing
you personal service that
outperforms our
competitors.
